A rare opportunity exists to purchase circa 9 acres or thereabouts of quality agricultural lands situated a short walk from the edge of Saintfield.

The lands subdivided into two fields are currently sown down to grass and are thought suitable for grazing, cutting and / or arable purposes. A short lane leads from the county road into these lands.

Viewing: Anytime

Note: The lands are currently served by mains water. This supply will be made available to the purchaser for a period of 6 months from the date of purchase to allow the purchaser to bring in their own water supply.

Easements exist up the lane for the benefit of two neighbours.
