SOLAR PV SYSTEM

- Each home includes a 4-panel solar PV system, seamlessly integrated into the roof for a sleek and modern appearance. This renewable energy solution reduces your reliance on traditional energy sources and helps lower your energy bills.
- Pre-Wiring for EV Charger.
- Every home is pre-wired for the installation of an electric vehicle (EV) charge point, giving you the flexibility to add an EV charger when you need it, ensuring your home is future-ready.

FULL EV CHARGER INSTALLATION

- Upgrade during the build to include a fully installed electric vehicle charge point, offering added convenience and value from day one.

ENERGY STORAGE UNIT

- Choose a 5kWh or 10kWh battery storage system to store excess energy generated by your solar panels. This upgrade allows you to use stored energy during evenings or low-sunlight periods, giving you greater energy independence.

POSSIBLE SAVINGS

- 0% VAT Savings:** Benefit from the current 0% VAT rate on solar systems and energy storage for new builds.
- Immediate Efficiency:** Maximise the potential of your solar PV system from day one with integrated energy storage and charging solutions.

Questions you may have. **Which mortgage would suit me best?**

How much deposit will I need? What are my monthly repayments going to be?

To answer these and other mortgage related questions contact our mortgage advisor on 028 91811444.

Your home may be repossessed if you do not keep up repayments on your mortgage.

We DO NOT charge for initial mortgage consultations. We may charge a fee on completion depending on circumstances. Our typical fee is £250, however, please confirm with Mortgage Consultant at time of appointment.

Please note that we have not tested the services or systems in this property. Purchasers should make/commission their own inspections if they feel it is necessary.

As part of our legal obligations under The Money Laundering, Terrorist Financing and Transfer of Funds (Information on the Payer) Regulations 2017, we are required to verify the identity of both the vendor and purchaser in every property transaction.

To meet these requirements, all estate agents must carry out Customer Due Diligence checks on every party involved in the sale or purchase of a property in the UK.

We outsource these checks to a trusted third-party provider. A charge of £20 + VAT per person will apply to cover this service.
