Outside

I just cant say enough about the feel of this garden.

To have a location so close to the sea there is sometimes a garden compromise. NOT HERE !!

A raised patio with balustrades leads on to a mature and beautiful enclosed garden benefitting from a life time of care and attention.

Trees, shrubs, planted areas, lawn, patio, courtyard, pergola, seated spots if a safe spot for watching your family, or, on the opposite scale, a private mature place to enjoy your well earned 'own time' are high on your priority list, then you should definitely view this home.

Garage and Work shop are described above

There are covered lean to areas on the opposite side in front of the other driveway.

In the garden there are potting sheds and a garden workshop at the bottom

Other factors

Currently presented as a three bed, two large reception, this house has plenty of potential for adaptable accommodation. The Double driveway in my thoughts gives flexibility that (subject to statutory approvals) may also allow adding accommodation, should you require.

Location wise it is unique, offering sea views from the front door, enclosed mature gardens to the rear, open public green space within seconds and water front sea walks in under a minute.

Popular eateries such as The Prom Cafe, Olderfleet Bar and Restaurant, Curran Court Hotel and much more, are all within easy walking distance. Shops / schools/ Nurseries, Larne Harbour Train Station and Port of Larne are all in the immediate area. Larne Main Street, Bus depot and direct A8 transport links within minutes

Ready for it next chapter, a detached home in this location is not something that comes along very often - must be viewed to truly appreciate what is on offer.
