Donaghadee is a thriving and expanding coastal town currently experiencing significant development both in its centre and surrounding areas. With many historic buildings undergoing high-quality renovations, the town has seen a surge in interest from both homebuyers and investors. The addition of two new residential developments is set to further enhance Donaghadee's appeal.

This exceptional property presents a rare opportunity to acquire a spacious 4/5 bedroom period home full of character, alongside a tenanted commercial unit. The shop benefits from excellent street frontage and generous rear storage, currently generating an annual rental income of £9,600 (plus rates).

Upon entering the residence, you are welcomed into a large reception space featuring an inglenook-style fireplace. This flows into a charming dining area and a sleek, galley-style kitchen fitted with a range of contemporary units and integrated appliances.

The first floor hosts three generously sized double bedrooms, two with modern ensuite facilities. One of these rooms is currently used as a reception space. Also on this level is a guest WC and a second living area, which offers picturesque views over the town centre and promenade. From here, French doors open onto a spacious sun terrace, an inviting, private outdoor retreat perfect for entertaining or relaxing.

On the top floor are two further double bedrooms, each featuring eaves storage and Velux-style windows, adding light and charm to the space.
