GREEN LIVING

Going Green

High Trees comes with a 'Green Pack'. Not only will your home help our environment by reducing the carbon footprint of the building, but we are also bringing you financial savings.

Green Pack Includes:

6 monocrystalline panels on each of our new homes. As well as producing clean energy for homeowners, it also reduces your running costs, at a time when energy prices are soaring. 5kWh solar battery. The addition of an integrated battery pack allows the electricity produced during the daylight hours to be consumed when you need it most. Electric car charging point. You will be ready to power an electric vehicle with free solar electricity if needed.

Biodiversity

It's our duty to protect natural beauty. At Strand Homes, biodiversity is an area we feel strongly about. We aim to grow and create better habitats for native species of ability wildlife. Becoming a member of the All Ireland Pollinator Plan, we have agreed to take action to protect and promote our pollinators.

WHAT STRAND HOMES ARE DOING:

- Use of native plants where possible
- Sourcing of pollinator friendly plants
- Placing of rocks in gardens to create homes for insects
- We thoughtfully plan each garden to ensure it thrives and flourishes over the years

As part of our legal obligations under The Money Laundering, Terrorist Financing and Transfer of Funds (Information on the Payer) Regulations 2017, we are required to verify the identity of both the vendor and purchaser in every property transaction.

To meet these requirements, all estate agents must carry out Customer Due Diligence checks on every party involved in the sale or purchase of a property in the UK.

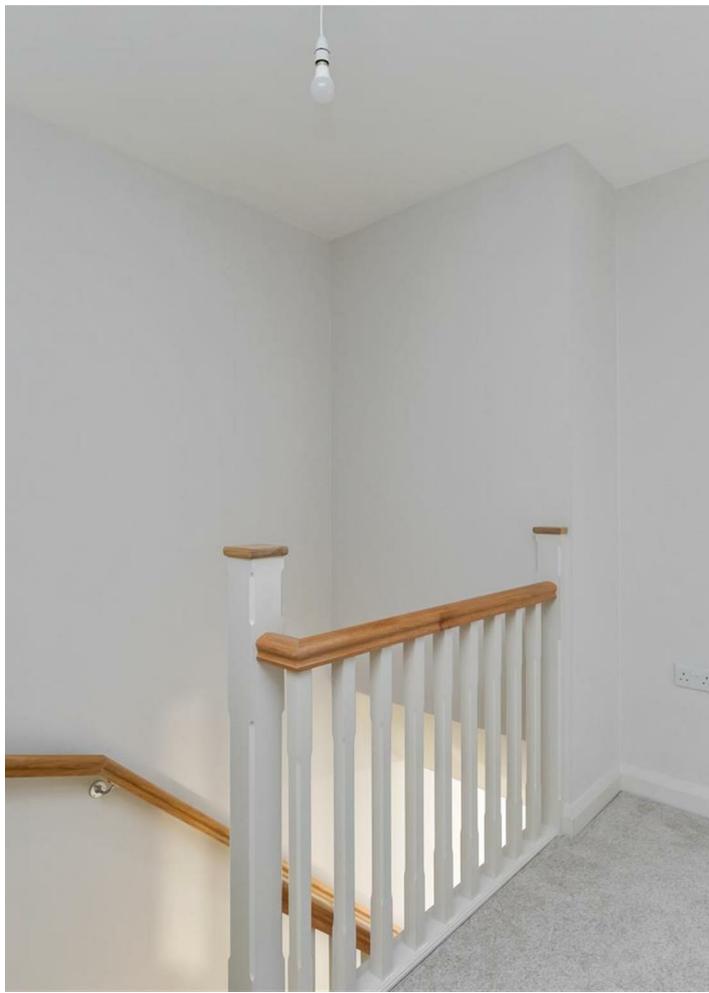

We outsource these checks to a trusted third-party provider. A charge of £20 + VAT per person will apply to cover this service.

You can find more information about the legislation at www.legislation.gov.uk
