

The Haven (C Detached)

Three Bedroom Detached

THE HAVEN, SITE 161 ST ANDREWS POINT, BALLYHALBERT,

Welcome to St Andrews Point!

Set along the shores of the Irish Sea on the Ards Peninsula, this peaceful coastal village offers a life shaped by coast and calm, where sea air clears the mind and every day feels a little lighter.

Ideally placed for Newtownards, Bangor, and Belfast, it's a place for living and unwinding within an area of natural beauty and rich seafaring heritage.

At St Andrews Point, every detail captures this balance. A thoughtfully composed mix of 3, 4 and 5-bedroom Detached, Bungalows, Semi-Detached and Townhouses provide choice and character for every stage of life, each finished to a generous turnkey standard with refined interiors and practical design built for modern living.

Few places capture the soul of Co. Down quite like the Ards Peninsula, a landscape of beaches, harbour villages, and rolling farmland where the land meets the sea in perfect harmony. In Ballyhalbert, a sense of community runs deep, shaped by generations of seafarers and coastal life. Explore the nearby walking trails, breathe in the salt air at Ballywalter or Cloughey, or enjoy a Sunday drive around Strangford's villages for fresh seafood and harbour views. However, when you need the bustle of the city, Belfast is less than an hour away, with Bangor and Newtownards even closer, proof that peace and practicality can live side by side. At St Andrews Point, you can experience both the tranquillity of the coast and the comfort of connection.

Cost saving technology in every home

SUSTAINABLE ENERGY FEATURES

Homes that look after you and the planet.

At St Andrews Point, sustainability comes built in. Each home features smart green technology designed to make modern living simpler, cleaner, and more efficient.

STANDARD IN EVERY HOME:

Solar PV

Each home includes a 6-panel solar PV system, seamlessly integrated into the roof for a sleek and modern appearance. This renewable energy solution reduces your reliance on traditional energy sources and helps lower your energy bills.

EV-Ready Homes

Every home is pre-wired for an electric vehicle (EV) charge point, giving you the flexibility to add an EV charger when you need it and ensuring your home is future-ready.

UPGRADE OPTIONS:

FULL EV Charger Installation

Upgrade during the build to include a fully installed electric vehicle charge point, offering added convenience and value from day one.

Energy Storage Units

Choose a 5kWh or 10kWh battery storage system to store excess energy generated by your solar panels. This upgrade allows you to use stored energy during evenings or periods of low sunlight, giving you greater energy independence.

UPGRADE NOW AND SAVE MORE.

0% VAT Savings: Benefit from the current 0% VAT rate on solar systems and energy storage for new builds.

Immediate Efficiency: Maximise the potential of your solar PV system from day one with integrated energy storage and charging solutions.

As part of our legal obligations under The Money Laundering, Terrorist Financing and Transfer of Funds (Information on the Payer) Regulations 2017, we are required to verify the identity of both the vendor and purchaser in every property transaction.

To meet these requirements, all estate agents must carry out Customer Due Diligence checks on every party involved in the sale or purchase of a property in the UK.

We outsource these checks to a trusted third-party provider. A charge of £20 + VAT per person will apply to cover this service.

You can find more information about the legislation at www.legislation.gov.uk
