Marc Fegan's View

If you're looking for something you can just move straight into and get settled, 48 Lismara is a great option. This three bedroom detached home has been refurbished and is in excellent condition throughout, with a brand new kitchen, updated shower room and a new oil heating system already in place. The layout works really well with a separate living room, dining room and kitchen, giving that bit of extra space that a lot of buyers are after.

The rear garden is a real highlight, south facing and a great size, perfect for enjoying the sun right through the day. You've also the added bonus of an attached garage with power, and overall it's a home that's been well cared for and is ready for its next owner. Ideal for first time buyers or anyone wanting something straightforward in a popular area.
