

19 Ballycraigy Road, Antrim, BT41 1PW

PRICE Offers Over £232,950

This is a superb opportunity to purchase a deceptively spacious three bedroom extended house occupying an imposing position on an elevated site on the outskirts of Antrim town yet within easy access of all local amenities and transport facilities. Benefiting from a ground floor extension to the front, the property boasts two large reception rooms for entertaining together with a spacious kitchen with informal dining area for family time. With a generous utility room backing onto the main lounge, this property could be easily re-configured to provide a bedroom with ensuite for a family member needing a ground floor sleeping arrangement.

Outside the property is approached via a sweeping driveway with access to a very large yard area to the rear suitable for those with multiple cars or even lorries making this an ideal opportunity for someone wanting to work from home or run a small business (subject to necessary planning approvals)

With the added benefit of mahogany effect PVC double glazed windows and external doors, together with updated oil-fired boiler and PVC fascia and soffits, this property should appeal to a wide range of potential purchasers.

Early viewing strongly recommended.
