offers around £440,000

The Agent's Perspective...

"Few homes have true 'just walk in' appeal but 6 Strathleven Park certainly does. It has been most carefully maintained and is beautifully presented.

There are four bedrooms, comfortable living room, superb kitchen / dining, contemporary bathroom (with bath and shower), en suite and home office - and beautiful Lough views. Situated in a relatively traffic free cul-de-sac, Holywood town, bus routes and trains are nearby and the dual carriageway provides easy access to Belfast and the airport.

Must be one of the best homes available today"

Additional Information

In accordance with the European Performance of Buildings Directive, all property being marketed For Sale or To Rent must have an Energy Performance Certificate (EPC). The rating establishes the efficiency of a property and what steps could be undertaken to improve its performance in an effort to reduce energy consumption and associated carbon dioxide emissions. There is no ‘pass’ or ‘fail’ level.

An EPC currently has a ‘life’ of 10 years and becomes part of the documents associated with that property. It can be transferred on completion of sale to the new owner(s) and would normally only be superseded by a new assessment after energy saving improvements have been carried out.

A copy of the EPC and Recommendation Report must be available to any interested party. The full Report can be viewed via our web site roddersandbrowne.co.uk.
