The Owner's Perspective...

"I have loved living in this peaceful yet convenient location with views of Belfast Lough and the County Antrim hills. It's close to Seahill train station and on a bus route, and just a short walk to Belfast Lough and the beautiful coastal walks. It is within the catchment area of leading primary and grammar schools, and Holywood is just five minutes away where there are good local shops.

I've enjoyed the good-sized garden and especially the privacy at the rear where there is parking for quite a few cars behind gates which can be locked. I have felt really secure and safe living here."

Additional information

In accordance with the European Performance of Buildings Directive, all property being marketed For Sale or To Rent must have an Energy Performance Certificate (EPC). The rating establishes the efficiency of a property and what steps could be undertaken to improve its performance in an effort to reduce energy consumption and associated carbon dioxide emissions. There is no 'pass' or 'fail' level.

An EPC currently has a 'life' of 10 years and becomes part of the documents associated with that property. It can be transferred on completion of sale to the new owner(s) and would normally only be superseded by a new assessment after energy saving improvements have been carried out.

A copy of the EPC and Recommendation Report must be available to any interested party. The full Report can be viewed via our web site rogersandbrowne.co.uk.

ENERGY EFFICIENCY RATING (EPC)

Score	Energy rating	Current	Potential
92+	A		
81-91	B		
69-80	C		
55-68	D		67 D
39-54	E	40 E	
21-38	F		
1-20	G		

From 23rd September 2022 property purchased up to £250,000 will be exempt from Stamp Duty Land Tax (SDLT) unless it is purchased as a second home, in which case the 3% override will still apply. Homes sold in excess of £250,000 will pay SDLT on a sliding scale. There are exemptions for first time purchasers where no Stamp Duty is payable up to £625,000.
