

RODGERS & BROWNE

'Killops Rose' 32 Croft Road,
Holywood, BT18 0BP
offers around £269,950

The Agent's Perspective...

"Set just off Croft Road 'Killops Rose' offers compact, comfortable and easily managed accommodation for those wishing to downsize and take life easier. It would also be ideal for those who intend to spend more time abroad as the bungalow is a perfect 'lock and leave' option.

The bungalow was constructed c.2006 specifically within easy maintenance in mind. It is constructed in red brick, has uPVC windows and doors, uPVC eaves and soffits and a private, enclosed garden completed in pink pebbles.

Although a pleasant walk from Holywood town centre via Victoria Road, there are two parking spaces to the front and there is also wheelchair access to the front door.

A real rarity - perfect for those who do not want an apartment".

Additional information

In accordance with the European Performance of Buildings Directive, all property being marketed For Sale or To Rent must have an Energy Performance Certificate (EPC). The rating establishes the efficiency of a property and what steps could be undertaken to improve its performance in an effort to reduce energy consumption and associated carbon dioxide emissions. There is no 'pass' or 'fail' level.

An EPC currently has a 'life' of 10 years and becomes part of the documents associated with that property. It can be transferred on completion of sale to the new owner(s) and would normally only be superseded by a new assessment after energy saving improvements have been carried out.

A copy of the EPC and Recommendation Report must be available to any interested party. The full Report can be viewed via our web site roddersandbrowne.co.uk.
