Packed with Potential!

Located in the popular Garvey Manor development, this four bedroom detached home offers generous accommodation, mature gardens, and excellent potential for modernisation.

The property comprises a welcoming and spacious entrance hall, complete with convenient under-stair storage. A large living and dining area is filled with natural light from the bay window and features a fireplace as a focal point. Sliding doors lead directly to the rear garden, creating a seamless connection between indoor and outdoor living. A further reception room offers flexible use, ideal as a teenage snug, home office, or formal lounge. The kitchen is fitted with a range of units and built-in appliances, complemented by an additional dining area to the side, making it a practical and sociable space for family life. The ground floor is complete with a handy WC with a storage cupboard.

Upstairs, a bright and spacious landing leads to four well-proportioned double bedrooms, two of which benefit from built-in storage. The principal bedroom enjoys the added convenience of an ensuite shower room, while the main family bathroom is fitted with a three-piece suite and includes an additional storage cupboard.

Outside, a tarmac driveway provides ample off-street parking and access to a spacious detached garage, with the front garden laid in lawn and bordered by mature shrubs. The fully enclosed rear garden is laid in lawn with a patio area, providing a private and secure outdoor space suitable for families and entertaining.

Although the property now requires modernisation throughout, it is priced accordingly and represents a superb opportunity for purchasers to create a bespoke family home in a highly sought-after Lisburn location, close to local amenities, schools, parks, and excellent transport links.
