A very impressive four bedroom semi-detached house located in the ever popular seaside town of Portstewart. Constructed circa 1998, the property is deceptively spacious and offers well laid out accommodation right through. This fine home offers comfortable and pragmatic living space suitable for a variety of differing requirements and is complemented further by externally offering a detached garage and being one of only two semi-detached houses in a cul de sac of detached homes. This is a terrific family home, presented to a high standard throughout and we therefore recommend early internal appraisal.

Approaching Portstewart on the Coleraine Road, take you third left at the Burnside roundabout onto Mill Road. Take your fourth right at the Medical Centre onto Lissadell Avenue and fourth left into Millstone. No 6a will be located on your right hand side.
