A charming four bedroom semi-detached period house occupying a generously proportioned site on the well established Millburn Road. Constructed circa 1910 and extending to approximately 1722 sq ft of internal living space, this fine home still retains quite a bit of its original character, charm and elegance. Internally, the property has well laid out accommodation and has been sympathetically restored and modernised. Externally the property benefits from garden area to front and a very generously proportioned rear garden area with plenty of space. Location wise, the property will ensure ease of access to the commuter via main arterial routes to Belfast and Londonderry. Rarely do we find properties coming onto the open market in this period style and condition in this particular area and we can strongly recommend early internal inspection to appreciate its entirety. This is a wonderful opportunity to purchase a superb family home in such a fantastic town centre location.

Travelling into Coleraine on the Millburn Road towards the town centre, No 29 will be situated on your left hand side overlooking the tennis courts and Rose Gardens.
