Life, lived well.

Only 5 minutes from Limavady town centre, Roe Wood combines the luxuries of an urban lifestyle with the calmness of an idyllic countryside sanctuary.

As we all lead busy lives in the modern world, we crave our own wee haven of tranquility. Braidwater aims to fulfil these aspirations on top of creating developments that have their own unique style and community ethos, that encourages a sense of belonging. Ultimately, a life lived well.

Well designed.

At Roe Wood, you'll find well thought out design throughout, from the approach, the house styles, the play area and abundance of open green space.

With the clever use of space in the kitchen to bright and airy rooms, no aspect of modern life has been overlooked, Braidwater's design is intricate and detailed.

With well-being an essential element of daily life in the modern era, your secluded garden offers a peaceful getaway allowing individual and family time in a secure environment, combined with the spacious large green areas throughout the development.

In Roe Wood, the house types consist of a range of semi and detached homes which are classically designed, with a variety of styles offering traditional architectural detailing.

Ecological benefits

Each Braidwater development looks to provide significant biodiversity enhancement, delivering opportunities for a range of wildlife species. This includes grassland, hedgerow, scattered tree planting and a biodiversity garden.

Energy efficiency

Highly energy efficient, Braidwater's homes are cost effective to heat thanks to modular construction techniques.

All design elements of each home are utilised to deliver a high quality, energy efficient product which includes composite doors, high performance double glazing, quality wall, roof and floor insulation, floating floor techniques and sound proofing.

Play area

Additional to the green areas and wildlife enhancement is a children's play park, a focal part of the development.

An area of fun and activity, the play park and green areas are crucial for the health and wellbeing of any young family.

Carbon footprint

Braidwater has committed to improving the overall sustainability of the business by reducing its carbon footprint.

This is being developed through a Net Zero plan which includes: a range of biodiversity measures; sourcing of modern sustainable construction techniques and the permanent sponsorship of a one acre grove at the Woodland Trust's Faughan Valley.

Green areas

Roe Wood is aptly named due to its proximity to the Roe Valley and the green areas in the development will be an integral feature enabling the countryside landscapes to blend effortlessly with the feeling of urban living.

Well connected.

Creeping into the countryside, the area is synonymous with the Roe Valley and its hinterland. Ideally located between the cities of Derry/Londonderry and Coleraine, Limavady is a thriving town and the gateway to the north coast (to the east) or Donegal (to the west).

If you're heading for a day out which way do you go? To the east you have the glorious north coast to explore including everything from the Giant's Causeway to a walk on the promenade at 'the Port.' Or what about the west? Head to Derry/Londonderry and have a walk around Europe's only remaining walled city and the fantastic Peace Bridge or push on over the border for loads of hidden treasures along the west coast of Ireland.

Cycle NI: Limavady to Park route

Follow a 17 mile section of NCN 93 as it winds its way from Limavady town to Roe Valley Country Park, in the Sperrin foothills through Roe Valley countryside and uplands into Park Village.

Roe Valley Country Park

One of the most popular tourist attractions in the area, not many can say they have the likes of Roe Valley on their doorstep to explore. At approximately 3 miles long, it's ideal for a good brisk walk with the dog or a family adventure to ignite those fledgling imaginations.

Benone Strand

Only 12 miles out of town, the countrywide famous Benone Strand is an ever popular day out attraction. The seven-mile stretch of sand backed by one of the largest dune systems in the UK, is popular with surfers, swimmers and walkers. With Mussenden Temple part of the beach network, it surely is a must for locals.

Public Transport Links

The nearby transport links ensure Limavady is easily accessed by bus. Local and national connections by bus are available in Limavady as well as national rail from Bellarena, only 7 miles out of town.

Sports and Leisure

Close by golfers can avail of the Roe Park golf course, while those that keep fit can find a range of sports clubs catering to all age groups in the popular Roe Valley Leisure Centre.

A bit out of town you can check out horse riding, fishing, hovercrafting, hang gliding, surfing and loads, loads more.

A2

By car the main A2 north/ west route is only 5 minutes away and if commuting or exploring further the Belfast-L'Derry A6 is just over 10 minutes away whilst avoiding Limavady town centre.

A modern bedroom interior featuring a large bed with a white floral duvet and several pillows, including a large orange one. To the left is a bright yellow rocking chair and a wooden chest with a geometric pattern. A large window with white blinds and floral curtains is on the left wall. A large, light-colored wardrobe with multiple doors is on the right wall. A woven basket sits on the floor near the wardrobe. A spherical woven pendant light hangs from the ceiling. The text "Well appointed." is overlaid in the center.

Well appointed.

Every home is built to exceptionally high standards and Roe Wood is no different. Our homes ooze quality and well considered class, whether its a homely turnkey package or the luxurious upgrade. Our homes are more than simply bricks and mortar or glass and timber put together well. It's the fit and finish that sets us apart.

This is backed up by our NHBC award winning site managers and teams who have achieved regional and national success as they demonstrate incredible dedication, passion, commitment and leadership to produce homes of exceptional quality.
