### ABOUT YOUR NEW HOME

#### The Main Structure:

Walls are of traditional, tried and tested cavity construction. Brick and/or plaster render are used for the external finish. External timber features are painted to match where applicable. The roof will have a grey coloured, flat concrete tile crowned by a dry fixed ridge tile. uPVC round guttering with round uPVC downpipes compliment the external trim.

Energy saving uPVC gas filled double glazed windows with locking latches (except those deemed emergency escape routes) are standard. uPVC French doors or sliding patio doors are fitted where applicable.

A low maintenance GRP front door and uPVC rear door

with double-glazing complete the external elevation.

#### External:

All garden areas will have a front and rear lawn unless otherwise specified or shown on the site layout. To give a complete look from day one, the front lawn will be turfed. The back lawn will have either turf or seed depending on the time of the year, subject to ACC Ltd discretion. Flat top garden edge and treated rail fencing will be erected where applicable. Fencing will include a timber privacy screen between adjoining properties; all other fenced areas will comprise of treated timber posts and rail (approx 900mm high).

Driveways will be approx 10 metres long or from the road

kerb to the front elevation of the property, whichever is the greater, and finished in bitmac. Garages (where applicable) are counted as a parking space and may reduce the length of driveways. A coloured pavia brick path will be provided to at least the front and rear elevation with level access to one external door. Patios will have a minimum area of 5.75m<sup>2</sup> where applicable. Specified plots may have a boundary wall subject to planning conditions on site. You can even wash your car and water the plants using the outside tap which is provided as standard!
